These cases come under the rules relating to deputation of officers to foreign countries - page 234, M.S.R.

Under para (3) of this rule, the officer will be allowed to draw his substantive pay besides such amount of passage money, Railway fare and D.A. as may be fixed in each case.

Re: Railway fare, they may be allowed the class

they get according to their pay, i.e., 2nd class. If air passage is about the same cost or even a trifle costlier, it may be allowed in preference to sea passage

Re: daily allowance, our scholars get £ 360, i.e., 1 £ a day. As these officers get their pay in addition what Daily allowance is to be given is a matter for consideration.

I have placed below a copy of a letter written by Mr Balakrishnan to the Dep. Orders in the Dewan's minutes dated 23 10/46 are " Allowances prescribed for Messrs Balkrishnan & Sastri in U.S.A are not excessive and may be given to these officers also." This gives an indication that the cases of Messrs Gangadhara & Sastri may be treated like the two above and not like that of Mr. Balkrishnan above and that the two cases perhaps correspond individually with the other two cases, Mr. Gangadhara's with Mr. Balkrishnan's & Mr. Nanikyam's with that of Mr. Sastry. Orders are solicited for the above interpretation, if correct Approval as the allowances sanctioned to Messrs Balakrishna & Sastry vary under some items, as will be seen from the Statement.

There are certain items viz. 9, 10 and 11 which are not in the nature of allowances and the orders minuted by the Dewan are with respect to "allowances", & not on the three items noted above, in which case the proposals made in paragraph 1 of notes may be taken as approved.

The file required is put up.

It is seen that Mr. Sastry is a non-gazetted officer and his case cannot correspond to the two cases under consideration. The latter therefore have to correspond with the case of Mr. Balkrishnan only.

Further, both Mr Gangadhara & Mr. Manikya belong to the 2nd class of officers and ordinarily are entitled to Conveyance allowance only as 2nd class, as they get a pay higher than Rs 600 p.m. But since Mr. Gangadhara in any case, has been permitted to be classed for purposes of allowances with Mr. Balkrishnan, Mr. Manikyam must also be necessarily treated on an equal footing with Mr. Balkrishnan.

Items 9, 10 are not allowances and perhaps the proposals as put up in the note dated 9/46 may be approved, with the modification that the grants under item 10 may be made to only one officer & viz. Mr. Gangadhara. Under this item, Mr. Balkrishnan & not Mr. Sastry above has been granted perm to incur an exp. of £10 towards Mess & report Mint P.W.) to Govt 11/46.
